THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 2004-145-C - ORDER NO. 2004-561  
NOVEMBER 12, 2004

IN RE:	Application of United American Technology, Inc. for a Certificate of Public Convenience and Necessity to Operate as a Reseller of Interexchange Telecommunications Services within the State of South Carolina.	)	ORDER ON UNITED AMERICAN'S REQUEST FOR RECONSIDERATION
		)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion to Reconsider Order of Dismissal Without Prejudice of United American Technology, Inc. (United or the Company).

United states that, on September 16, 2004, a hearing was held on the Company's Application to resell interexchange telecommunications services. United did not appear at the hearing, and the Commission dismissed the application without prejudice because of the Company's failure to appear. The Company alleges that it did not receive any notice of the hearing. As such, United requests that the Commission reconsider its decision, vacate the order of dismissal, reinstate the Application of the Company, and reschedule the hearing on the Application.

We deny the relief requested. Commission records show that the Notice of Hearing was sent to counsel for the company in advance of the hearing. Although counsel for the Company alleges that the Notice was not received, we must go by the records contained in the Commission's docket. We must conclude that the Notice of Hearing was

sent to counsel for the Company in a timely manner. Accordingly, we deny the Motion.

United is free to file a new Application for the provisions of the services that it desires to offer in South Carolina.

This Order shall remain in full force and effect until further Order of the Commission.
